

Music Blocks Lesson Plan

Lesson plan name

Age:

7-12 years

Lesson duration:

90 minutes

- Introduction (15m)
- Part 1 (15m)
- Break (5m)
- Part 2 (15m)
- Performance/Critique (10m)

Number of students:

Up to 10.

Rationale:

/*Explain what students are going to learn today and tell why this topic is important or necessary to learn */

Objectives:

/* specify what students are expected to achieve or learn by the end of the lesson describe the specific outcomes or goals that the lesson aims to accomplish */

LESSON

Introduction:

/* Introduce the concept and tell what are the Blocks used in this project */

/* Divide whatever topics we have to discuss today into 2 parts one part before the break(part 1) and another after the break(part 2). */

Part 1:

/* Based on the inputs 1. Dialog 2. Script file(derived from the JSON file of the project) Explain the concepts based on this data. */

Part 2

/* Similarly discuss the part 2 concepts. */

Performance/Critique:

/* Check whether each student performed the task given. activities or assessments designed to evaluate student performance and provide feedback on their progress. */

Key events:

/* Tell what are the key events in this lesson plan and what students did in the class */

Materials:

- Music Blocks software
- /* If it is related to any subtopic try to add that like for example for math we may require paper */

Assessment:

/* Check whether the students are able to do today's work correctly and evaluate students the projects that they have done on today's topic */
